

HOMI BHABHA CANCER HOSPITAL & RESEARCH CENTRE
Aganampudi, Visakhapatnam, Andhra Pradesh

NTP-PPO WORKSHOP

National Training Project - Practical Pediatric Oncology

September 27, 2025

**"APMC
Credit Hours
as applicable"**

in association with
**IAP - Pediatric Hematology and
Oncology Chapter**

N K Rao Auditorium

Second Floor, Main Building, Homi Bhabha Cancer Hospital & Research Centre,
Aganampudi, Visakhapatnam

NTP-PPO is a flagship programme of the Pediatric Hematology Oncology Chapter of the Indian Academy of Pediatrics. The focus of this training programme is to sensitise participants in aspects of childhood cancer care. Early diagnosis of cancer in children, recognition of oncological emergencies and shared care are the focus areas of this training workshop. The workshop is mainly directed to Paediatricians and paediatric trainees. This workshop will help educate the participants on care of children with cancer and getting more children with cancer to cure.

Workshop Highlights

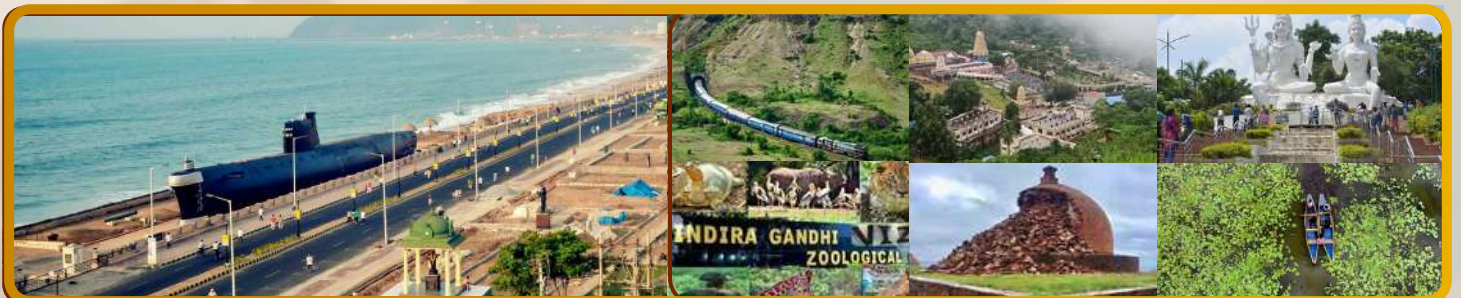

- Lectures by eminent national faculty
- Case based discussions
- Multidisciplinary approach
- Workshop on procedures in Paediatric Oncology

Welcome to Visakhapatnam !

Visakhapatnam, located on the eastern coast of India in Andhra Pradesh, is a perfect blend of natural beauty, history, and modern life. Known as the "City of Destiny," it offers a relaxing coastal experience that makes it truly special.

The city is filled with stunning beaches where you can enjoy everything from peaceful walks on the sand to lively activities by the shore. Don't forget to catch a mesmerizing sunrise – it's a sight you won't forget! For those interested in history, Vizag holds fascinating stories from the Buddhist era. And after exploring its rich past, you can treat yourself to some delicious, fresh seafood.

In short, Visakhapatnam is not just a city; **it's an unforgettable destination where nature, history, and culture come together in harmony.**
